

BELL CIRCUIT COURT BEGINS NEXT MONDAY

Seventy-Five Cases Are Set for Trial In Term.

MANY OLD CASES

Finished at Pineville September 18—Begins Here Next—Complete Docket Is Announced.

Seventy-five cases are docketed for trial at the term of Bell circuit court which begins at Pineville Monday and continues there through September 18, after which date it will finish the term at Middlesboro.

Forty-three of the cases are set for trial at Pineville and thirty-two of them in Middlesboro. A number of these civil cases have been on the docket for some time, having been deferred for some reason or are coming up for the second trial. Some of them will doubtless be settled out of court or be postponed for later date before the day set for trial.

The following is the complete docket announced at the circuit court clerk's office today:

Fonde Road Survey Is Progressing Well

Work of the engineers on the Fonde road is progressing well and it is thought that it will be finished within a month. After this the cross sectioning and the office work will be done, preparatory to letting the contract for its construction.

The road which has been made a part of the state primary road system is being partially financed by the \$100,000 bond issue of Bell county. The road will connect the big mining camps of Fonde with the remainder of Bell county, resulting in mutual benefits to all parts of the county.

Preliminary work for the Colmar road which is financed by \$50,000 of money from bonds issued by Bell county is now in progress by the Davis Construction company.

PETITIONS MUST BE IN BY OCT. 1

Signers for Noetown Rural Service Urged to Get Boxes Without Delay.

Petitions for service on the Noetown city rural route which will begin on October 16 should be in by October 1, according to announcement of Postmaster John M. Miller today. Ira O'Rourke of Noetown, and Rufus Fry, of the Junction, are handling the matter and signers for service should see one of these men.

Two hundred and fifty families must sign the petition and put up boxes along the route which extends from Middlesboro to Noetown via the Junction. Mr. Fry and Mr. O'Rourke are also able to attend to the matter of boxes, procuring those approved by the United States Postal Department.

While the route will begin with deliveries three times per week, postal officials predict that it will later be made to serve patrons every day. Residents of Noetown and the Junction have long been seeking an adequate mail service and are gratified at the work of the local postal officials in securing the accommodations.

New Busses for Line to Pennington Gap

New busses have been ordered for the Middlesboro Pennington bus line, according to W. J. Crawford, and the vehicles will be put in operation at an early date. The new busses are built on White trucks and are of the latest and most approved designs.

The route goes to Pennington Gap via Rose Hill, leaving here at noon, and makes connections with the White Star line at Pennington Gap, from which points passengers may go on to Big Stone Gap, Appalachia and other places.

CONSTITUTION DAY WILL BE OBSERVED

Superintendent of Schools Urges Its Observance September 17 in the Schools.

Associated Press. FRANKFORT, Ky., Sept. 5.—Constitution Day, September 17, is urged for observance in the schools of Kentucky by McHenry Rhoads, superintendent of public instruction in a letter to superintendents, principals and teachers. The letter, made public today, follows:

"I am calling your attention to September 17th as the anniversary of the completion and signing of the Constitution of the United States and to the advisability of conducting in every school in the state some suitable exercise on this day that will bring again to the minds of our people the cardinal principle inherent in our constitutional government.

"Furthermore, these exercises should be so planned and conducted as to stimulate renewed interest in the study of the Constitution and the rights and privileges of a free people. The announced purpose of Constitution Week, September 14-20, to establish the Constitution of the United States and the principles and ideals of our government in the minds and hearts of the people, centralizing in the special observance on September 17, is most commendable.

The Citizenship Committee of the American Bar Association has planned a nation-wide observance of Constitution Week. The activities of a number of organizations of all types, kinds and characters have been enlisted in this worthy movement. It is desired to plan, not only for an appropriate observance of Constitution Day for the children in school, but to give wide publicity to the same that the people of the community may attend and enjoy.

"There never was a time in the history of this country since the adoption of the Constitution when its sacred and imperishable principles should find force and effect in the lives and organized activities of the people of this state and nation more definitely than the present."

REGISTRATION IS ALLOWED BY MAIL

Attorney General Holds Voting Can Not Be Done In That Manner.

FRANKFORT, Ky., Sept. 5.—The absent voter's law, as it affects registration, is in full force, Attorney General Frank Daugherty ruled today, answering the inquiry of Clem Shaver, Democratic national committeeman.

Voters may register by mail but not vote by mail, the attorney general held. Shaver represented that there are more than a hundred Kentuckians in the government employ at Washington who will be unable to be in the state Monday and Tuesday, registration days. Under the new registration law government employees and traveling salesmen may register by mail but the new law does not repeal the old law permitting absent voters to register, Daugherty held.

Paducah Leads In Dark Fired Weed

Associated Press. PADUCAH, Sept. 5.—Paducah is the hub of the Western Dark Fired Tobacco district, including all Kentucky counties west of the Tennessee river, according to W. B. Kennedy, local tobacco man.

"Paducah handles between 18- and 20,000,000 pounds of tobacco annually, or about one-fourth of the total production of the district," he said, in a statement made public. "and pays out about \$2,250,000 annually to tobacco growers in the immediate Paducah territory."

The type of tobacco grown in Western Kentucky, according to growers, is the Dark Fired type, used in the manufacture of snuffs, chewing and pipe smoking tobacco. About 75 per cent of the total volume is exported to England, France, Spain, Italy and Germany, they say. The other one-quarter is used domestically, mostly by the snuff trades and some used in New York for manufacture of cigars for shipment to Italy.

HERRIN MEN LEAVE SCENE OF SHOOTING

Galligan, Thomas, and Smith Leave Williamson County.

MAINTAIN PEACE

Exodus Alleged Principals For Other Places Considered Wise—Smith Is In Kentucky.

HERRIN, Sept. 5.—Three of the men who figured in the shooting here Saturday in which six men were killed left Williamson county today.

Sheriff George Galligan and his deputy, Ora Thomas, went to Pontiac, Ill., John H. Smith, the only man the coroner's jury recommended be held for murder, left for somewhere in Kentucky.

It is said that their departure was requested for the best interests of peace and that they will remain away until the situation is quiet.

Smith, charged with the death of Chester Reid, was arrested and released on a \$10,000 bond. He was also arrested Sunday, charged with murder and released.

MORE CONTRACTS TO BE LET SOON

Highway Body at Yesterday's Meet Stated Bids Will Be Taken September 22nd.

FRANKFORT, Ky., Sept. 5.—Two contracts for bridge work will be awarded following reception of bids September 22, it was announced at the state highway department yesterday.

The proposed work calls for concrete work on four bridges, all in Perry county. Steel work proposals were abandoned due to the high cost of steel, officials said. All awards will be made on the basis of the last letting.

"The Work: Bridge over the Kentucky river on the Hazard-Jackson road; two abutments and pier.

Another bridge over the river on the same road; four 60 feet concrete girders.

These two projects comprise the first contract. The other: Bridge on Hazard-Whitesburg road; abutments and piers and two short concrete spans, about 31 feet long, depending upon arrangements with railway officials.

Two 60 feet and two 70 feet reinforced concrete girders, abutments and piers, on another bridge over the river on the same road.

Cancellation possibly of federal engineer who recently inspected the route and conferred with the highway commission are before the federal board at Washington," he said.

Upon recommendation of county officials, the commission made a slight change in the route between Cairo and Nelson Lane.

Several newspapers editorialized objections. The federal board with a letter to the commission requested explanation of the commission's withdrawal from the federal aid agreement. A federal engineer was invited to go over the route. He made his recommendation to the Washington board. What the recommendation was not made public.

Library Vast Reservoir Valuable Data

FRANKFORT, Ky., Sept. 5.—An immense reservoir of data upon almost any subject is available through the Kentucky Library Commission, of which Miss Fannie C. Rawson is in charge, Mrs. Charles F. Creal, Hodgenville, said today.

Mrs. Creal, newly appointed to the commission by Governor Fields and wife of Assistant Attorney General Creal, said living in a small town all her life has made her especially appreciative of the value of the commission.

"A simple application to Miss Rawson will result in opportunity to borrow books selected by experts at the statehouse upon any subject, familiarity with which is a great asset for school debate or for personal information."

TEAPOT DOME

Judge Says Receiver May Not Be Appointed.

Associated Press. Cheyenne, Wyo., Sept. 5.—Appointment of a receiver in the Teapot Dome Naval Oil receivership to succeed Rear Admiral Strauss who has resigned will probably not be made until October, if at all, Federal Judge Blake Kennedy announced today.

SHANGHAI BATTLE IS STILL RAGING

Fighting Now Going On In Three Sections of China—Artillery Is Used.

Associated Press.

SHANGHAI, Sept. 5.—Fierce fighting in three sections between armies of the rival Chinese military governors contesting for possession of Shanghai continued unabated today but added fury is given the battles by movements of airships into the war zone and reported concentration of Chinese battle-ships for action along the Yangtze river.

Major engagements appeared to center about thirty miles northwest of Shanghai, both sides employing artillery. The outcome is still indefinite. Fighting is also in progress fifteen miles east of Shanghai.

HONOR PERSHING FOR GOOD RECORD

General Wood Publishes Reasons Why Pershing Was Placed In Command.

INDIANAPOLIS, Ind., Sept. 5.—General Pershing's military record and his fidelity to orders from Washington while in command of the then Mexican punitive expedition were the outstanding factors in his selection as commander of the American Expeditionary Forces in France, it is disclosed in a letter from Newton D. Baker, former secretary of war, while the American Legion weekly prints tomorrow.

Seven years afterward, in an issue which the Legion devoted to commemorating General Pershing's retirement from active army service September 12, the "inside story" of his appointment as commander-in-chief by the late President Woodrow Wilson, is first told, according to the story.

While Mr. Baker's letter does not refer by name to General Leonard Wood, now governor general of the Philippines, the Legion says "Incidentally, considerable light is thrown on controversy concerning the late president's action in not appointing Major General Leonard Wood to this important command."

"It is disclosed that Mr. Wilson regarded Wood as subordinate," the story says.

General Pershing was appointed by President Wilson on Secretary Baker's recommendation. Mr. Baker's letter shows, based on Pershing's past record. Neither the president nor the secretary had met the man of their choice until after the selection had been made. Secretary Baker's recommendation, approved by General Hugh L. Scott, then chief of staff, was based, he states, on a careful study of the records of all the generals officers and senior colonels in the regular army at that time. The selection was made with special attention to the fact that the man appointed would ultimately have under his command a very large force.

Weeds Along Canal to be Cut Monday

Weeds along the canal bank will be cut next week by the city, according to present plans. The growths along the banks through out the city have become so high that, in case of heavy rains, the waters of the canal would be retarded and overflow result. Weeds on the banks near the city hall have been cut and to remainder of the work is scheduled to begin Monday.

ASKS 3 MILLION FOR APPEAL CASE

Attorney General Filed Counter Claim for State In Tax Case.

Associated Press. FRANKFORT, Ky., Sept. 5.—Attorney General Frank E. Daugherty today asked the state fiscal court for three million dollars' added judgment in an important corporation tax appeal case. He filed counter-claim in behalf of the state.

He demurred to appeal of the Sandy Valley Elkhorn railway company against assessment of the state tax commission. Denial of alleged over-assessment of property was made and counter-claim for three million dollars' added assessment was made at the same time.

O'Rear, Fowler and Wallace, Frankfort, represented the corporation; the attorney general, the state.

The attorney general asked that the assessment of the company's total property for taxation be raised to \$8,335,113.00, a \$3,396,579.00 increase in tangible and franchise property assessment.

The company, maintaining 90 per cent of its business is in transporting coal from the mines of the Consolidated Coal Company in Pike and Letcher counties to points on the Atlantic and the Great Lakes for exportation to foreign ports and countries, according to its petition, alleged:

"That only a small number of its 2,087 freight cars are ever in the state at any one time.

"That the commission on August 11 raised the assessment of real estate and tangible personal property from \$439,500.00 to \$2,201,130.00 rentals of 2,504 of its 2,087 freight cars, which were employed for the entire taxing year without the state's boundary.

The attorney general denied these allegations. He also demurred to appeal of the Consolidated Coal Company, also filed in the state fiscal court. The company protested against alleged increases by the tax commission of the company's valuation to \$1,028,169.00. The company maintained the commission refused to reduce the valuation fixed by the county tax supervisors of Pike county.

Complete denial of all allegations by the company was made by Attorney General Daugherty in his answer.

He denied that only 46 per cent of all lands in Pike county 44 underlaid with coal or has any workable coal deposit.

In the Sandy Valley Elkhorn Company case, he maintained, in his demurrer, the appeal of the railway company does not state facts sufficient to constitute a cause of action, and asked that the action be dismissed for want of authority on part of the corporation. He then asked the additional three million dollars' assessment.

Father of W. B. Roberts Dies at Hyden

W. B. Roberts, job printing foreman of the Middlesboro Daily News plant, was called to Hyden, Leslie county, this morning on account of the death of his father, Judge J. G. Roberts.

The deceased was county judge of Leslie county and an honored and respected pioneer citizen of that county. He had lived there practically all his life.

Mr. Roberts who was sixty-eight years old died after a brief illness. He is survived by a wife, five sons and five daughters.

Over \$2,000 Turned Into State Treasury

FRANKFORT, Sept. 5.—Collection of \$3,838.50 corporation taxes and fees on one hand and expenditure of \$1,400.00 for salaries and bills on the other, left a clearance of \$2,438.50, for the secretary of state's department as the result of August's business, Mrs. Emma Guy Cromwell, secretary of state, today said today.

"This amount has been turned into the treasury," she said. Another clerk will be employed soon, she said, to handle the card index system she is perfecting. Immediate reference to corporation records will be insured, she said.

WOMEN VOTERS HEADQUARTERS

League Establishes Headquarters With Miss Rennebaum—Taxi Service.

The League of Women Voters has established headquarters at the home of the president, Miss Louie Rennebaum, corner Cumberland avenue and Twenty-fourth street.

Every woman voter, whether Republican, Democratic, or Independent, who desires to register Monday or Tuesday in order to be able to vote for President in November, is urged to call either phone 70 and a car will be sent to convey her to the polls.

It is desired, that neighborhood groups be made up so several may go at the same time.

The law recently passed by the legislature rules that voters who register this year will not be required to register any more, unless they change their residence. "The League is very anxious to have a large number of women register than there was last year. The women of the country have the controlling vote in the Presidential election, and every woman is urged to do her bit," an officer of the League stated today.

GLOBE FLIERS EN ROUTE TO BOSTON

Last Lap Foreign Journey Is Now Being Made—Weather, Only Fair.

Associated Press.

PICTOU, Nova Scotia, Sept. 5.—American army around the world fliers took off here for Boston at 10:35 o'clock this morning on the last lap of their flight over foreign territory and the final jump overseas of their long and arduous globe encircling trip.

Three planes got under way after nineteen minutes delay caused by motor trouble developing on the Boston machine sent to Pictou to enable Lieuts. Wade and Ogden to complete the world flight interrupted by the wreck of their first plane off Faroe Islands. Weather reports indicate that flying conditions along the coast are only fair.

Middlesboro Band Has Practice Meet

Members of the Middlesboro band met at the city hall last night and organization was further perfected. Sixteen men who have played in band have already become members of it and there will be several others who will learn to play in the organization.

The aims of the organization are to have a band number from twenty-four to twenty-six pieces and it should be ready for public appearance within six or eight weeks.

There will be practice each Tuesday and Thursday night hereafter, the next taking place at the city hall Tuesday night. All musicians are urged to take part in the work in order that a splendid band which can perform here or at other places for any public occasions may result.

Postal Receipts In August Show Gains

Postal receipts for August showed a considerable increase over those for July, according to reports from the local postoffice today, and are somewhat more than those for August of last year. This indicates a general strengthening of business conditions here. Domestic money orders sent out of Middlesboro aggregated \$7,579.16 while the foreign orders were \$40. The amount received here from money orders was \$4,024.39.

CHARGED WITH 2 MURDERS AND BANK ROBBERY

Man Held at Covington Denies Knowledge of Crimes.

OLD COUPLE SLAIN

Louisville Police Say Conlon Couple Died of Heart Disease—Overheard the Criminal.

Associated Press.

COVINGTON, Sept. 5.—Pending the arrival of persons from Louisville who will question him concerning the robbery of the Prentiss bank at Louisville of \$5,000 four months ago, also of the mysterious death of an aged couple of Louisville a month after the bank robbery, a man is being detained at the Covington jail today.

On a nominal charge the man was arrested yesterday. He denied connection with or knowledge of the crimes. His arrest followed two trips to Covington by Jefferson County Patrolman Morris Johnson during which he interviewed a woman said to have overheard a man talking of the crimes.

According to information here, Mr. and Mrs. Alfred Conlon, fortune tellers of Louisville, were slain when poison gas was forced through a keyhole of their bedroom. It was believed at the time that the couple entered into a suicide pact.

LOUISVILLE, Sept. 5.—Covington reports that Rolfe Webster is under arrest connected with the murder of the Conlon couple here, was discredited by local police. Examination of the bodies of the victims indicated they had died of heart disease, the officers explained.

John Hart, cashier of the Prentiss bank which was robbed last January left this afternoon for Covington to determine whether Webster is connected with the robbery.

Southern Railway to Play Blackmont Team

The Southern Railway Baseball team with unlimited confidence in their prowess, are reaching far afield in their search for new scalps.

They are scheduled to meet the Black Star Team of Blackmont, here at 1:30 o'clock Sunday afternoon. The Blackmont boys say that they have a splendid team, one that can defeat the local players. This assertion the Southern boys deny and will proceed to disprove in the encounter Sunday.

L. OF W. V. TO GET OUT THE VOTE

In the window of the News office is hung a small red, white and blue sticker bearing the inscription, "Vote November 4, as you please but vote." This sticker is but a small part of the campaign being carried on throughout the United States in an effort to get out the vote at the November election.

Some of the organizations that will take a leading part in the campaign are the Boy Scouts of America, American Bankers' Association, Grand Lodge, Order of Masons, the Motion Picture Producers and Distributors of America, Grand Lodge, Order of Knights of Columbus, Jewish Welfare Board, the Rotary Club and Kiwanis Club.

Throughout the United States this campaign is being carried on and it is the immediate duty of every citizen to see that his or her vote is duly recorded on Tuesday, November 4. In Middlesboro the local chapter of the League of Women Voters will be especially active in leading their aid in getting out the vote. It is especially significant that this organization is coming to the front in an effort towards seeing that the full vote of the city is recorded. The effort on the part of the League is highly commendable and should bear fruit in a full poll of the voting strength of the city.

For the next three days the efforts of the League will be devoted to getting voters to register. If a voter does not register next Monday or Tuesday, he is automatically disfranchised on November 11th, in cities of the class in which Middlesboro falls. Every voter should appoint himself or herself a committee of one to see that the registration is complete before sundown Tuesday evening. You must register if you vote—you must vote if you are a good American citizen. Register—Vote.

VOLUNTARY CENSORSHIP OF MOTION PICTURES

Improved standards in the selection of titles for motion pictures are undoubtedly indicated in the recent action taken by Will H. Hays, president of the Motion Picture Producers and Distributors of America, Inc. Out of two score or more pictures announced by a leading group of American producers for the coming year, Mr. Hays has weighed seventeen titles in the balance of good taste and public decency and found them wanting. His correcting rod has further caused the deletion of certain subject matter in the same company's films.

There is no doubt that such a move reflects the attitude of those whose temper and faith have been sorely tried of late by the inflammatory and lurid tone of the screen. While each season sees a distinct advance in scope and beauty, yet the will-o'-the-wisps of ready money and yellow journalism would try to keep the movies mucking around the shallows of catch penny policies and programs. Already the persistent parade and emphasis of scandal, infidelity, lawlessness and disorder have left a stain on the silver screen. It is wise, perhaps, to overlook and even condone the shortcomings of this polluting industry, but the sins of an adult and crafty sensationalism call for different treatment.

ment unquestionably the motion picture is far too valuable and far reaching in its contacts to be allowed to follow after a wayward and pandering press. The widespread mongering of the movies makes Mr. Hays' ultimatum most timely, and a strong reaction to ward better film conditions should inevitably follow such an intelligent and discriminating form of censorship.

In reviewing his contract as president of the Motion Picture Producers and Distributors of America, Inc., for three more years, Mr. Hays gives every indication of pursuing a policy of active leadership in the destinies of the screen. That he will have the support of the majority of motion picture patrons goes without saying. (Christian Science Monitor)

EVERETT TRUE—By Condo

"HI, TRUE, I'M CALLING ON YOU TODAY BECAUSE I HAVE A SURE-FIRE PROPOSITION. YOU HAVE BEEN BUYING YOUR STUFF FROM BROWN & CO., AND PAYING TOP PRICES FOR INFERIOR GOODS. NOW, I CAN SHOOT THEIR STUFF FULL OF HOLES. I REPRESENT SMYTHES & CO., AND—"

YOU REPRESENT SMYTHES & CO., AND MISREPRESENT BROWN & CO.!! YOU'RE NOT A SALESMAN, YOU'RE A SUBMARINE!! AND IF YOU EVER SHOW YOUR PERISCOPE IN HERE AGAIN I'LL SINK YOU WITHOUT A TRACE!!!

There is no doubt that such a move reflects the attitude of those whose temper and faith have been sorely tried of late by the inflammatory and lurid tone of the screen. While each season sees a distinct advance in scope and beauty, yet the will-o'-the-wisps of ready money and yellow journalism would try to keep the movies mucking around the shallows of catch penny policies and programs. Already the persistent parade and emphasis of scandal, infidelity, lawlessness and disorder have left a stain on the silver screen. It is wise, perhaps, to overlook and even condone the shortcomings of this polluting industry, but the sins of an adult and crafty sensationalism call for different treatment.

TEACH DRAMATICS

HARBOURVILLE, Sept. 5.—Miss Duella Tye has been secured for another year as teacher of expression and dramatic art at the Harbourville High School. This is Miss Tye's second year in this capacity and she has proven her excellent ability as a teacher. It will be pleasing to many to know she will teach here again this year.

VIRGINIA

COUNTY SCHOOL PAPER

CLINTWOOD, Va., Sept. 5.—More than 125 teachers in the public schools of Dickenson county attended the two days teacher institute here this week, in the new Dickenson County Memorial and Industrial high school building, conducted by J. Hoge Sutherland, county superintendent.

A new feature will be introduced into the Dickenson county schools this year in the publication of a county school paper, which Superintendent Sutherland believes will help.

TO VISIT NORTON

NORTON, Sept. 5.—Business men, bankers, capitalists and manufacturers—leaders in the commercial life of the principal cities of the New England states, will visit in Norton one or two days in October or long enough that they may have a complete picture of Southwest Virginia, its coal mines, its forests, its climate its living conditions and its opportunities. The Norton visit will be a part of a two weeks visit throughout the state, engineered by the state Chamber of Commerce. Already thirty commercial leaders have accepted the invitation to be guests of the Chamber for the tour of the state, and by the time of the visit it is believed that the number will have been greatly increased to 50.

TENNESSEE

KIWANIS PARK PROGRAM

KNOXVILLE, Tenn., Sept. 5.—The Kiwanis club had its program yesterday afternoon in the interest of the proposed national park for the Smoky Mountains. It was under the direction of Russell Hinton, secretary of the automobile club. W. P. Davis, president of the Smoky Mountain Club, and Col. D. C. Chapman, vice president were speakers.

PAGE CONAN DOYLE

MIDDLESBORO, Tenn., Sept. 5.—Middlesboro county officers, discouraged with their failure to find a solution for the disappearance of George Early, whose blood stained

body was found near here a week ago, turned to the occult to assist them in solving the case. Horace Burns, a deputy sheriff and Horace Watkins, a former officer of Bedford county, went to Nashville for a conference with a fortune teller, who told them, the officers said that Early was murdered on the night of August 28, and that his body was secreted in a hole covered with water about five miles east of the point where the body was found. The medium is also said to have told the officers that the murder was committed by a tall, slender man wearing overalls. This description tallies exactly with that of the man said by witnesses to have driven away from the body's stable with Early on the night of his disappearance. Water covered holes it was pointed out are numerous in the vicinity.

YOUTH PROTESTS

Let those who sing the joys of youth be still. And for a while consider what they say. From early dawn to twilight close of day, Year in, year out, the foolish gray-beards fill. The patient air with reminiscence shrill. Of "carefree seventeen" and "Joyous, gay," Light hearted, twenty, and quite forgetting they Found life, when young, as now, a bitter pill. Oh, sages, if to bury cherished dreams, Daily, with trembling fingers; if

to wake Sobbing at midnight and not knowing why; If, to grope blindly for a truth that seems Forever just beyond one, is to make Of life a carefree dance, your halting is no lie.

Ladies Aid Society Meets

The Ladies Aid Society of the First M. E. church met Thursday evening at the home of Mrs. E. R. Brown. The evening was spent in completing plans for the party sale Saturday and an open discussion of plans for the Christmas bazaar. This sale is the first of a series of sales which will be conducted throughout the fall and winter. At the close of the last sales meeting Mrs. Brown served dainty and refreshing refreshments.

W. A. Routh, the well known local piano tuner, who for several years has been tuner for Gibson Bros., of this city, has recently severed his connection with that firm and is now factory representative of the Warren Piano Co. in this territory. This company is contemplating the establishment of a branch house here and Mr. Routh thinks that the near future will find Middlesboro with a high-class and exclusive music store.

COLORED VOTERS BODY IS FORMED

Organization to Boost Registration Formed at Meeting Last Night.

Colored voters of Middlesboro had an enthusiastic meeting at the city hall last night in the interest of getting a large registration here Monday and Tuesday, state registration days. An organization for encouraging colored men and women to vote was formed with William Blackburn as chairman and Clint E. Haselrig as secretary.

All present pledged themselves to see other members of their race and to persuade them to register on either Monday or Tuesday in order that they may be qualified to vote in not only the approaching state and national election but also in all future city, county, state and national elections.

Those present at the meeting last night were as follows: S. J. Ford, Earl McCoy, Ben Yoe, Ollie Lee, Ed Overall, A. Henry Wade, Rev. P. A. Trent, J. B. Blanche, Wilbert Perdue, Thomas Hurst, James A. Smith, Matthew Lewis, Frank Emory, L. A. Bryant, Evans Overton, W. S. Sprays, H. Foster, Dennis Smith, W. N. Fugate, Frank Nichols, G. H. Roe, L. Duvall, Julius Love, Luther Smith, G. Harrison Cooper, Rev. J. H. Coleman, Frank B. Williams, Silas Bass, Lillian Bass, Hartie Bill, William Blackburn and Clint E. Haselrig.

These men and women and all others interested not only in registration and voting themselves, but also in persuading and aiding others to register and vote will have another meeting at the city hall Saturday night. Efforts will be made to have a large attendance.

COBURN'S SHOWS MAKING BIG HIT

Parkersburg News Lauds Coburn's Minstrels—Coming Here September 17.

That Coburn's Minstrels are making hit all along the line is indicated day by day in reviews in various newspapers in towns where they perform. The minstrels will be at the Manring theatre on September 17. The following is an excerpt from the Parkersburg News of September 2:

J. A. Coburn's Minstrels, for five years the opening attraction at the Camden Theatre on Labor Day, presented two performances here yesterday, afternoon and night, that took the audiences by surprise, accustomed as local audiences are to the superiority of Coburn's frolickers over usual road minstrels. The crowd at both performances were enthusiastic in pronouncing the latest show the best. To have it better, would be asking an improvement on genuine red white-ky in these super-arid days.

The show opened with the minstrel proper entitled "All Aboard for Joyland—Let's Go," called a musical melange of mirthful melodies interspersed with jovial jests by jolly jokers. Carl Minch and Norbert C. Lion were the interlocutors, diverging somewhat from the usual minstrel custom of one interlocutor. Ballads and songs by the end men were interspersed.

To pick an individual hit would require some study and that wasn't permitted, so rapidly did the interlocutors keep thinks moving. Everything went off with a vim and a snap that foretells great successes for the Coburn troupe on the road this year.
